The college has its Student Teachers' Representative Committee (SRC) which is the activity and programme conducted by the college. In the college, SRC is a vibrant part of the college in which according to norms of the parent organization, the student with the highest merit in that subject in the college is selected to represent the college. There are eight elective course subjects run by this college therefore eight representatives are elected. The representatives are Secretary (G.S.) and Ladies Representative (L.R.) each were selected based on their leadership and looking at their willingness to work for the designation. The representatives are elected from boy or girl student-teachers and for L.R. as it is the representative of the girls. There is no election system for any position in SRC. When a student is elected for an elective subject, in that case the next student-teacher in the elective subject is elected. In the beginning of the year from 15th June onwards, admissions in the college therefore, the college appoints provisional representatives for various committees as representative and as G.S. and L.R. of SRC before or at the mid of August to have 50 student-teachers admitted in the college. After the nearby admissions are over the college appoints yearlong working SRC members after collective discussions. There were following committees:

Best Practices : I. Star-Batch Guidance 1. Title of the practice: practice: It is guidance and counselling programme for the senior guidance provided to senior star student-teachers for better result Firstly, B.D.Shah College of Education is one of the oldest colleges in Patan University, Patan and has been running since 1968. This college was established in 1983. In the past, many student-teachers the college has achieved this tradition and to improve the result remarkably the star-batch guidance teachers even having proper knowledge to answer the questions in the answers of questions in proper systematically way. They just reply the examination the instructions to give the answer of the questions are subject before the question that in how many words student-teachers answer vomit out whatever they know about or related to questions without questions and sub-questions. They do not understand that their hand important and in the given time all required questions/sub-questions aroused out of these traditions of answering the questions by the student express the answer in the examination is mechanism which requires a "guidance" came into existence in this institution for scoring very taught and prepared for university level Examinations with pre-plan maintain mental/physical balance before and during the examinations.

the questions of the question papers and write the answer after practice teachers acquire appropriate knowledge to decide to choose the question justice to the question in given definite time. 5.
